The Chairman opened the meeting to the Local Government Electors present asking that they give their name and details for the record;

Mr G Moore – Cambridge Road

Thanked the Council for all its hard work over the preceding year and wished more people would take the opportunity proposed by the Annual Town Meeting to have their say.

Mr Moore was pleased to see that work to the railings had been completed and looking good also the welcome news of the Pier hotel impending development two areas he had been raising at previous Annual Town Meetings.

The Regent hotel on Hill Road was still causing concern as to its stability with large cracks appearing in the facade, a possibility of an accident waiting to happen. Cllr Garner as a North Somerset Councillor stated that the building was being monitored by the District Council and necessary work undertaken to ensure the viability of the structure.

There being no other questions or comments, the Chairman thanked everyone for attending and closed the meeting at 7.50 pm.

APPROVED AS A TRUE RECORD
